"Camping Out"

His Latest Picture—Not a Re-issue or a Second Run

Also Showing Louisa M. Alcott's "LITTLE WOMEN"

Jo, Meg, Beth and Amy—the four sweetest girls in American Fiction. They never had a "Triangle" in their family. Their beauty never turned the Universe. But they are fairly HUMAN. When you see them—Why! You'll really live their lives! You'll be Amy; and Laurie will court you. You'll be Jo and Professor Baer will kneel at your feet. You will live in this picture! That's how good it is! Come and see it.

Poor delicate "Fatty" as the hen pecked husband—and he just couldn't stand it. Left Home—he did—went back to the old primitive life—does his own washing—an' cooking—an' everything. Meets a young chicken—an' about that time wifey shows up! Oh, Boy! But "Fatty" puts it over—and that's what makes it one of the funniest you ever saw.

MAKING IT EASY FOR HIMSELF

For four consecutive nights the hotel man had watched his fair (child) guest fill her pitcher at the water-cooler.

"Madam," he said on the fifth night, "If you would ring, this would be done for you."

"But where is my bell?" asked the lady.

"The bell is beside your bed," replied the proprietor.

"That the bell?" she exclaimed.

"Why, the boy told me that was the fire alarm, and that I was not to touch it on any account!"—Ex.

All Smoking Tobaccos are Flavored

"Your Nose Knows"

The Encyclopaedia Britannica says about the manufacture of smoking tobacco, "... on the Continent and in America certain 'sauces' are employed ... the use of the 'sauces' is to improve the flavour and burning qualities of the leaves."

Your smoke-enjoyment depends as much upon the Quality and kind of flavoring used as upon the Quality and aging of the tobacco.

Tuxedo tobacco uses the purest, most wholesome and delicious of all flavorings—chocolate! That flavoring, added to the finest of carefully aged and blended burley tobacco, produces Tuxedo—the perfect tobacco—

"Your Nose Knows."

Try This Test: Rub a little Tuxedo briskly in the palm of your hand to bring out its full aroma. Then smell it deep—its delicious, pure fragrance will convince you. Try this test with any other tobacco and we will let Tuxedo stand or fall on your judgment—"Your Nose Knows."
